Kimoto Glassware

Glass is one of the most familiar types of tableware. We use it every day in all seasons. Fine glassware creates a richer, more beautiful life. In summer we feel the coolness of glassware, in winter we feel warmth and calm light, through glass. We hope to suggest a variety of attractive glassware that you will enjoy. We welcome your questions in English and hope you contact us soon.

TOKYO CRAFTS & DESIGN

"Bringing beautiful Tokyo craftworks into the future" Tokyo's traditional crafts have been nurtured through many years. The Tokyo Metropolitan Art Museum produced the creation of "craftworks of the future" by collaboration between craftsmen who live by tradition and designers who want to make use of tradition in the modern age. From the Tokyo Metropolitan Art Museum to Japan and the world. We hope that a new movement will be started from Tokyo.

Nishii Mokkou Ltd.

"To be with nature" is our concept. We have 50 years experience about wooden furniture and goods production. We don't seek large-scale of business, we focus on a small but valuable creation. Our product is kikoro. Made from mainly cedar scraps, this simple inanimate object brings the warmth of wood into your home. We hope that you will find new ways to use wood with our product.

HIYOSHIYA Co., Ltd.

Hiyoshiya is a family-run business, established in Kyoto more than 100 years ago. Now in its fifth generation, Hiyoshiya is the only remaining manufacturer of traditional Japanese umbrellas in Kyoto. Our philosophy, tradition is the continuing process of innovation, reflects our mission: to create new and contemporary products using the time-honored techniques and materials developed for making our umbrellas.
